CHOOSE A EUROPEAN SUMMER SCHOOL PROGRAM!

STUDY IN EUROPE FOR 2 WEEKS

A dynamic and immersive two-week summer school at the crossroads of digital technologies and entrepreneurship tailored specifically for US students by EIT Digital, in collaboration with University of Ljubljana (School of Economics and Business).

University of *Ljubljana*

**FACULTY OF
ECONOMICS**

REAL-WORLD BUSINESS CASES

You will join participants from different backgrounds and be immersed in a unique blend of collaborative projects, expert lectures, and hands-on experiences that propel students into the heart of real-world business challenges faced by global companies and institutions.

INNOVATION AND ENTREPRENEURSHIP

You will learn how to turn an idea into a business plan and launch the plan as a deep-tech startup. You will learn to develop different business models and will be challenged by teachers and coaches to deliver your ideas. You are welcome to apply and participate, regardless of your field of study. Any educational background is welcome.

TEAMBUILDING FUN AND CULTURAL EXPERIENCE

This program is your gateway to experiencing a tapestry of European culture and landscape, making it a truly unforgettable journey into the heart of digital transformation. Immerse yourself in the enchanting city of Ljubljana, Slovenia, celebrated for its innovation and beauty, and also venture to Italy, wandering the romantic streets of Venice, or soak up the sun-drenched shores of Croatia.

PROGRAM

INNOVATION & ENTREPRENEURSHIP PROGRAM FOR US STUDENTS

Dive into the heart of digital innovation and entrepreneurship with the 2024 Innovation & Summer Entrepreneurship Program! This exhilarating **12-day journey** in Ljubljana, Slovenia, invites US students and young professionals to explore cutting-edge digital technologies. Engage in dynamic workshops and tackle real-world challenges alongside industry leaders.

Plus, seize the chance to extend your adventure with **an optional 6-week internship**, applying your newfound skills in a practical setting.

No technical background? No problem! This program is crafted for all passionate about shaping the future of tech. Get ready to ignite your digital dreams!

July 8 - 19, 2024

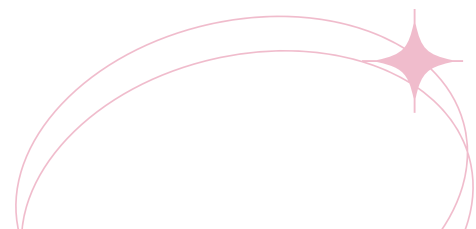

12 days

Ljubljana, Slovenia

I joined EIT Digital summer school as working professional. The balance of students and workers in the field, of projects and lectures accelerated my development. Mission accomplished.

HISTORY IS CALLING

WELCOME TO LJUBLJANA, A HISTORIC CITY IN THE MIDDLE OF EUROPE

Dive into entrepreneurship, tech, cultural immersion and networking in the center of Europe, mix and mingle with tech students from all over the globe and start making memories for a lifetime!

Ps: You need a selfie with this dragon!

APPLICATION MADE EASY

The application process is simple and takes only a few steps. To qualify for admission, you are asked to submit a completed application form, available on the [**Summer School web page**](#).

The general admission requirements that you need to fulfill are:

1. An academic qualification: post-secondary education (bachelor's degree, master's degree). Undergraduate students still studying must have completed at least one academic year of their bachelor's degree programme.
2. Your Curriculum Vitae.

The application deadline is June 1, 2024.

An overall fun and learning experience. I've connected with many people all around the world and. We learned everything about starting a startup and, even if I wasn't interested into building one at the beginning, I may have changed my mind now.

Elena Naldoni
